VILLA NEVAEH

LONG BAY, ANGUILLA

Villa Nevaeh is an enchanting Balinese-style beachfront estate perched along the famed sands of Long Bay. Exclusive grounds entail over an acre of manicured tropical gardens, a few barefoot steps from a half-mile ethereal white sand beach. Satiating the ultimate tropical Island fantasy, Nevaeh's vast grounds curate an incredible sensation of freedom and seclusion. This revered Anguillan luxury rental offers otherworldly serenity, spellbinding Caribbean views, and the highest caliber of amenities and white glove service.

This wondrous residence fuses Javanese Island exoticism with Far East Zen traditions. A master of impressions, antique Balinese temple doors navigate through a Japanese courtyard. Exceptionally crisp and airy interiors toe the line beautifully between modern sensibilities and seaswept romanticism. Serene off-white interiors dazzle with crisp dimensions and modern precision, highlighted by opulently varnished chestnut timber accents. High ceilings and retractable glass doors inform an exceptional sense of oneness and harmony with the exteriors, while an open, intuitive layout is suited for social spontaneity or formal entertaining. In-home fine dining is taken to exceptional heights with a fabulous eat-in kitchen outfitted with multiple refrigerators, commercial-grade appliances, a walk-in pantry, and a granite-topped bar. This beachfront Anguilla luxury rental includes nine exceptionally appointed bedrooms, configured between the primary residence and the autonomous guest house, assuring groups of 20 comfort and discretion. Each suite resembles a blissful oasis of relaxation, with garden and ocean views, king-sized bedding, lavish ensuite baths, private terraces, deluxe toiletries, and more. Top-notch perks include an in-home movie theater and an air-conditioned Techno Gym.

This beachfront vacation Villa includes a wealth of shaded and unshaded areas. Glorious alfresco spaces are complemented by a focal infinity pool whose waters cascade into a grotto below. Lush garden nooks deliver plentiful space to soak in the otherworldly serenity, inspiring Caribbean views, or midday sun. Villa Nevaeh's grounds include sports courts, a hot tub, and a winding path navigating to Long Beach.

ANGUILLA

LONG BAY

Fringed by shimmering white-sand beaches shaded by coconut palms and sea-grape trees, Anguilla is a testament to the insatiable Caribbean spirit. The island's rich and varied history dates back to settlements by the Amerindians and Arawaks. Extraordinary prehistoric rock art discovered at the Fountain Cavern National Park is a testament to Anguilla's indigenous peoples. With its 33 beaches, the island is ideal for rest and relaxation. You'll relish sipping spicy rum punches in the mid-afternoon to live reggae beats on this laid-back holiday island. Unlike its neighboring territories, Anguilla's notably flat terrain is advantageous for getting around by car, bicycle, or quad bike. Crystal-clear waters and reefs offer spectacular snorkeling, glass-bottomed kayaking, and smooth sailing to tiny islets and atolls scattered offshore.
