VILLA ANTESEA

SORRENTO, AMALFI COAST

Villa Antesea is a captivating oceanfront estate perched in the idyllic town of Sorrento. Perched between sheer cliff-faces at the very edge of a rocky coastline, this gorgeous property is perpetually refreshed by sea mist and rejuvenating saline fragrance. Few luxury properties capture the essence of La Dolce Vita living quite like Antesea, with guests immersed in the scented citrus-rich breeze before the iconic emerald sparkly of the Tyrrhenian and the life of the vibrant musical town nearby reverberating across the waves.

Dazzling interiors present a glorious combination of seaside romanticism and contemporary prestige. A technicolor maritime palette graces ultra-chic designer furnishings in an exceptionally airy great room flanked by sliding glass doors. Radiant white-washed walls and light French Oak flooring offer the ultimate canvas for a host of saturated and vibrant design elements. Backlit custom shelving exhibits a charming selection of nautical trinkets grounded in Antesea's unique seaswept positioning. Electrifying modern patterns douse plush seating arrangements, bringing an energetic and lively embellishment to pristine white walls. The open space concept incorporates an expansive modern kitchen, formal dining table, and living space facing the central fireplace. The translucent dining chair set perfectly combines coastal blue decor accents matching the immersive Gulf of Naples vistas beyond. Villa's waterfront location promises perfect mornings waking up to extraordinary sea views. Four ensuite bedrooms, individually designed in authentic, vibrant patterns, accommodate up to eight guests in utmost comfort and style.

A lovely alfresco dining set promises unforgettable summer nights with a magnificent backdrop of the glistening sea Tyrhennian. Glorious exteriors feature an expansive patio with a lounge placing guests front row center before picture-perfect bay vistas. The therapeutic waters of the outdoor jacuzzi are best enjoyed with a glass of bubbly in hand. A veritable gem of the Amalfi coast, Antesea is destined to charm the most discerning luxury adventurer.

AMALFI COAST

SORRENTO

Just a short jaunt from Naples, the Amalfi Coast is a gorgeous destination on the southwestern coast of Italy. It runs for about 25 miles, starting in the famous town of Positano and ending in the small village of Vietri Sul Mare. Although quite scenic, the drive from Naples along Amalfi Coast involves hairpin bends and zigzag turns on cliff edges while the altitude may make your ears pop. Notwithstanding, the coast is a cornucopia of whitewashed villages, lemon groves, and glittering water, this majestic beauty offering plenty of reasons to visit Italy. It is an evergreen setting for films, still photos, and postcards. Known for its understated sophistication and timeless beauty, the Amalfi Coast is a heavenly place that has escaped modernization, retaining its historic palazzos, lush gardens, simple pastel-hued fishing villages, pristine beaches, and rocky shorelines. Awe-inspiring beauty is matched with outstanding terroir and natural beauty setting the scene for a full-bodied summer wine odyssey. Savor the landscapes as you would as you would a fine Piedirosso,, indulge in the unbeatable cuisine, and truly enjoy life to the fullest.
