AMALFI COAST

PRAIANO

Just a short jaunt from Naples, the Amalfi Coast is a gorgeous destination on the southwestern coast of Italy. It runs for about 25 miles, starting in the famous town of Positano and ending in the small village of Vietri Sul Mare. Although quite scenic, the drive from Naples along Amalfi Coast involves hairpin bends and zigzag turns on cliff edges while the altitude may make your ears pop. Notwithstanding, the coast is a cornucopia of whitewashed villages, lemon groves, and glittering water, this majestic beauty offering plenty of reasons to visit Italy. It is an evergreen setting for films, still photos, and postcards. Known for its understated sophistication and timeless beauty, the Amalfi Coast is a heavenly place that has escaped modernization, retaining its historic palazzos, lush gardens, simple pastel-hued fishing villages, pristine beaches, and rocky shorelines. Awe-inspiring beauty is matched with outstanding terroir and natural beauty setting the scene for a full-bodied summer wine odyssey. Savor the landscapes as you would as you would a fine Piedirosso,, indulge in the unbeatable cuisine, and truly enjoy life to the fullest.
