VILLA MAY

AGIOS STEFANOS, MYKONOS

Villa May is an exquisite Mykonos luxury vacation rental, commanding exceptional Aegean panoramas from its hilltop perch. Far-reaching views span the rugged coastline with quintessential white speckled facades perched along the seaside. Prestigiously poised in Agios Stefanos, this luxury rental affords the utmost discretion at a moment's notice from the bustle of Mykonos town.

Ultra sophisticated interiors present a potent merger of Cycladic elegance and contemporary chic refinement. Radiant white-washed interiors highlight a dynamic floor plan defined by crisp dimensions and vertices. Shimmering floors, gallery lighting, and saturated contemporary pieces impart a cosmopolitan sophistication to the interiors. A gorgeous living room dazzles in its simplicity, emanating a clarity of mind and harmonious Zen sensibility that place May within a category of its own. Crisp linen slipcovers shroud the alluring seating arrangement garnished with potent dollops of earth tones and rattan elements. Sparingly used natural timber accents and driftwood accents imbue subtle yet potent dollops of beachside romanticism to the space, demonstrating that less truly is more. Six fantastic bedrooms accommodate 12 guests in utmost comfort, discretion, and luxury. Private entrances, spa-inspired baths, rain showers, and sea views render each suite a private oasis of rejuvenation.

Spellbinding exteriors offer no shortage of shaded and unshaded deck space for soaking in the endless views and the replenishing sun. Rugged retaining walls are warmly lit, curating a magical alfresco ambiance enveloped by the fragrant sea breeze. A glamorous infinity pool juts out dramatically towards the horizon, offering the ultimate respite from the midday heat, making this Mykonos luxury vacation rental the perfect retreat.
