FLEMING VILLA

ORACABESSA BAY, JAMAICA

Fleming Villa is an exceptional vacation rental sitting alongside the beachfront of the iconic GoldenEye Resort in Orcabessa. The estate comprises a main house and two guest cottages for utmost comfort and discretion. It is ideally poised right on the waterfront, claiming some of Jamaica's most coveted coastlines for discerning guests.

Bamboo furnishings and one-of-a-kind art pieces define this authentic beach residence, offering a quintessential, understated Caribbean style. Embraced by gorgeous tropical foliage, Fleming Villa presents the paragon of serenity and seclusion known to have stoked the creative embers of none other than Ian Fleming as he fleshed out the iconic character, James Bond. High ceilings, overhead fans, and large windows keep the ambiance perpetually airy and breezy. This estate flaunts five beautiful bedrooms, three in the principal residence and one in each guest cottage. Each bedroom is colorfully decorated, with stunning views and separate outside access. Carefully toeing the line between authenticity and luxury, Fleming Villa curates a distinctly Jamaican ambiance, equipped with an alfresco bathtub for utmost relaxation.
