BAA ATOLL

The Maldives' one-of-a-kind geography never ceases to inspire awe. Famously balmy waters, crystalline seas, and dazzling underwater bounties delineate the ultimate haven for snorkelers and deep-sea divers. A collection of more than 1,000 coral islands and atolls shine like jewels suspended in the most luminous cyan-blue waters imaginable. Each island presents its own paradise resort, featuring luxurious accommodations and the ultimate discretion. A destination that needs to be experienced to be believed, this nation takes private island opulence and the tropical beach fantasy to glorious heights.
