An exemplary chef's kitchen flaunts plentiful precious stone countertops, multiple eat-in islands, and top-of-the-line stainless steel appliances, curating an unmatched culinary workspace. Four outstanding bedrooms and a private ancillary chamber offer versatile lodging configurations accommodating over nine guests in utmost comfort, discretion, and luxury.

CASA DE CAMPO

PUNTA AGUILA

Casa de Campo, a tropical seaside resort in La Romana on the southeast coast of the Dominican Republic, was developed in the 1970s on 7,000 acres of the area's former sugar mill land. It has turned into one of the world's most prestigious holiday destinations for luxury travelers and one of the country's most affluent communities. Casa de Campo has a modern, 400-berth marina, complete with a shipyard. The marina has played host to the Rolex Farr 40 sailing cup. Surrounding the harbor are more than 70 restaurants, many exclusive shops, bars, and gorgeous homes. What an ideal destination for a luxury vacation!
