ST. BARTH

COLOMBIER

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the“ destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
