Villa Reema is an exquisite seafront residence commanding glorious sea vistas from its authoritative perch. A dashing modern facade straddles the lush hillsides, offering a secluded oasis at a moment's notice from the famed Amante beach club and the paradisiacal sands of Sol d'en Serra. Brimming with quintessential Balearic charm and prestige, Villa Reema is some of the east coast's most coveted luxury vacation properties.

Aesthetically immaculate interiors fuse mid-century modern charm with post-modern sophistication for a delightfully unique take on Ibizan luxury living. An airy multi-level open-concept layout unravels intuitively for guests, immersing guests in a comforting space brimming with retrofuturist nostalgia. Chic living areas replete with stylized period furnishings dazzle with serene tones of beige, wood cream, and terracotta. Uncanny decor elements and centerpieces never cease to surprise and intrigue the guest, accounting for a truly unique and playful experience. An uncanny set of glass-blown bulbs suspend before a 60s-era free-form dining table and wall of antique spools. A set of vibrant neo-expressionist pieces and a life-sized statuette add an urban edge to the home, while vibrant orange carpets indulge in 70s hedonism. Brimming with conversation pieces, Reema is a fantastic venue for post-beach wind-downs or lavish cocktail soirees. Villa Reema breathes new life into vintage style while crisp modern architecture delivers boundless sea views into the desirable common areas. This exceptional luxury vacation Villa boasts five stunning bedrooms accommodating ten guests in total comfort, discretion, and elegance.

Fantastic shaded and unshaded deck spaces interact maximally with the natural glory of Ibiza's rocky Eastern shores. Verdant foliage and meandering paths offer no shortage of spaces for romantic dusk dining or intimate moments with loved ones. A focal pool deck commands attention with luxuriant loungers and parasols curating an ambiance on par with the Island's finest beach clubs.
