VILLA EASTERN WATCH

BAR HARBOR, MAINE

Villa Eastern Watch is a stately New England mansion perched high above Frenchman Bay. Awe-inspiring seaside panoramas stretch from the Porcupine Islands to the Egg Rock lighthouse and beyond. This spellbinding seaswept paradise at the arms' reach of Bar Harbor delivers the pinnacle of maritime romanticism and timeless elegance.

This ambassadorial New England Villa spans two residences, the Cottage and the Carriage house, spanning 8196 sq. ft of fantastic living space. Encased within dainty French doors and plentiful bay windows, the interior ambiance is airy, elegant, and dainty. Exposed beams pop against pristine white interiors, the plentiful wood accents imparting a delectable country house warmth to the cavernous great room. Rich terracotta hues and floral prints render the living room homey and familiar, while double-height ceilings emphasize an open beach house feel. Gorgeous rotunda accents on either wing of the manor impart dynamism between a conference space and a formal dining area. The traditional kitchen features well-furbished granite countertops flooded with natural light, delineating a versatile cooking and entertaining space. Six gorgeous bedrooms indulge in the comforts of country home nostalgia between calming pastel palettes, cozy vaulted ceilings, and endless ocean views. The additional kid's bunkroom keeps lodging options versatile, affording the utmost discretion and comfort to each guest.

Spellbinding exteriors place guests in front row center before the savage beauty of Maine's rocky, windswept shores. A 120-foot-long stone terrace delivers unobstructed ocean views atop the dramatic Sols Cliff. Plentiful patio space and outdoor BBQ beckon al fresco dining under the stars, with a fine vintage plucked from the estate's extensive wine cellar. Villa Eastern Watch is a spellbinding Bar Harbor luxury vacation rental that leaves no guest indifferent to its maritime charms.
