VILLA ARIANNA

LAS TUNAS BEACH, MALIBU

Villa Arianna is a striking contemporary oceanfront estate, exceptionally poised close to Malibu's prime retail, fine dining, and nightlight scene. Perched over a private stretch of the Las Tunas beach shoreline, this stylish estate is an exceptional portal into the Malibu highlife.

Crisp modern interiors are the ultimate canvas for a smattering of stylish contemporary furniture awash in eclectic swatches of color. Shimmering tile floors, glass console tables, and shiny metal accents are animated by the generous California sun. Floor-to-ceiling windows bring the ocean horizon indoors, the mesmerizing palettes of blue refracted across the modern light fixtures and glass-encased wine cooler. Mid-century modern armchairs, tufted rugs, and abstract impressionist pieces douse the space in sophistication. A gorgeous contemporary chef's kitchen features expansive marble countertops with quick access to the terrace stretching alongside the ocean vistas. Villa Arianna feels uncluttered and pristine yet bursts with cosmopolitan elegance and postmodern panache. The home's four sumptuous bedrooms each flaunt a distinct eclectic character, effortlessly marrying a breezy holiday ambiance with high culture prestige.

Villa Arianna maximizes interaction with the outdoors, with three decks piled atop one another. Ample space offers no shortage of vantage points for soaking in the spectacular ocean views between an alfresco dining, lounge area, and outdoor spa. Regale guests on Arianna's idyllic patio, frosty cocktail in hand, serenaded by the soothing surf. Few guests have proven impervious to the charms of this delightful Malibu luxury rental.

MALIBU

LAS TUNAS BEACH

Malibu is a beach city in the Santa Monica Mountains region of Los Angeles County. The town has captured the world's imagination since the early days of Hollywood glamor. Stretching for about 30 miles along the Pacific Ocean and Highway One, Malibu, nicknamed "the 'Bu" by surfers and locals, has achieved almost mythological status among California beach towns. Hikers will appreciate the miles of canyon trails and water sports enthusiasts can surf, paddleboard and go kayaking. Malibu is also home to the Getty Villa, the original home of the Getty Museum. Flaunting multiple art galleries and al fresco dining in the company of stunning sunsets, it's clear why Malibu is a go-to for the jet set.
