VILLA ANTONINA

BEVERLY HILLS, LOS ANGELES

Villa Antonina is a breathtaking estate nestled in the heart of Beverly Hills. The luxury vacation rental's architectural landscape exudes the charm of a tranquil nature park, with tree-lined boundaries surrounding lush, manicured grounds. An enchanting arboretum, meandering stone pathways, and mesmerizing views create a setting that captivates the senses.

The interiors present a lovely combination of European high culture and contemporary sophistication, with a hint of country home rusticism. Plump modern sectionals are enveloped by windows, allowing natural light to animate the neoclassical decor, from sconce lighting and scintillating crystal chandeliers to a glossy grand piano. Exposed beams, ample natural wood furnishings, taxidermy pieces, and fur throws further embrace the rustic theme. An ultra-elegant dining room leads to a French country-style kitchen, updated with sleek modern appliances. The principal residence is complemented by a guest home, offering lodging versatility and ensuring the utmost discretion and comfort across its multiple wings. The seven beautifully decorated bedrooms epitomize elegance and style, with a show-stopping master suite featuring a Rococo-styled fireplace and private terrace. Two dedicated staff bedrooms and additional guest sleeping options provide flexibility for larger parties. The Los Angeles luxury vacation rental is flush with amenities, including a vintage two-lane bowling alley, a game room, and a state-of-the-art gym for athletic lifestyles.

The exteriors of Villa Antonina are as captivating as the interiors, seamlessly blending grandeur with comfort. A chic and stately outdoor dining area beckons lavish soirees with its stone patio, striking Roman-inspired columns, and overhead ceiling fans. A luxury ambiance is created between a tennis court with a pavilion, a putting green pool, and a jacuzzi, presenting a haven of recreation and relaxation under the shade of many tree varieties. This lovely luxury mansion has been known to dazzle the most discerning clientele.
