VILLA JOCELYN

LA COSTA BEACH, MALIBU

Villa Jocelyn is a luxurious beachfront retreat nestled on the pristine shores of Malibu. This vacation rental presents an exceptional marriage of Mediterranean style and sleek contemporary sensibilities. Prestigiously poised, the ultra-chic and colorful estate sits atop the famed sands of La Costa Beach.

Uncluttered, chic, yet inviting, this lavish residence demonstrates the potency of understated luxury, with a well-poised decor element and accent hue integral to the aesthetic whole. A contemporary and sleek great room is doused in luxurious palettes of beige, straw, and gray. Stunning abstract impressionist pieces provide the centerpiece of the light-filled space, perched above sophisticated mid-century modern credenzas. Plush low-profile furniture imbues the home with a delectable urban chic sophistication, while vivacious artwork adds an uncanny playfulness to the free-flowing space. A streamlined, fully equipped kitchen features a commanding breakfast bar and eight-seat dining space with a banquette conceived for spontaneity and congregation. The luxury vacation rental's three sumptuous en-suite bedrooms are defined by unobstructed ocean views and generous spa-inspired private baths. An in-house sauna introduces a world of bodily bliss into the house.

A charming courtyard may be mistaken for a sleepy Andalusian alley with rustic, old-world accents, from the terracotta flooring to the Hispanoarabesque mosaic accent walls. The glorious wood deck is smattered with excellent seating arrangements and a built-in barbecue beckoning beachfront grilling, invigorated by refreshing ocean mist. Few guests have been impervious to the charms of this striking Malibu luxury rental perfected in the art of the Southern California good life.

VILLA JOCELYN
LA COSTA BEACH, MALIBU

MALIBU

LA COSTA BEACH

Malibu is a beach city in the Santa Monica Mountains region of Los Angeles County. The town has captured the world's imagination since the early days of Hollywood glamor. Stretching for about 30 miles along the Pacific Ocean and Highway One, Malibu, nicknamed "the 'Bu" by surfers and locals, has achieved almost mythological status among California beach towns. Hikers will appreciate the miles of canyon trails and water sports enthusiasts can surf, paddleboard and go kayaking. Malibu is also home to the Getty Villa, the original home of the Getty Museum. Flaunting multiple art galleries and al fresco dining in the company of stunning sunsets, it's clear why Malibu is a go-to for the jet set.
