PENTHOUSE W ONE

SOUTH BEACH, MIAMI

Penthouse W One is an exemplary suite towering over some of Miami's most revered stretches of coastline. Perfected in the art of highlife living, this luxury Penthouse is W South Beach Hotel's crowning residence as the only direct oceanfront suite with a rooftop pool. Flaunting some of the region's most coveted zip codes, this Miami vacation rental commands coveted sea-to-sky panoramas from its authoritative top-floor positioning.

Spellbinding interiors present a masterwork of streamlined contemporary design and minimalist elegance. Sleek lines and crisp vertices sculpt voluminous open-concept spaces embraced by tinted floor-to-ceiling glass. Sparsely and deliberately appointed common rooms are privy to high-end finishes and plush upholstery. A radiant whitewashed palette brings out the intensity of the ocean's technicolor turquoise and azure hues, dramatically penetrating the common areas. This luxuriant suite dazzles with aesthetic purity and monochrome refinement while subtle seaswept decor imbues a breezy nonchalance to the home. Well-placed statement pieces embody the youthful exuberance of Miami luxury living, such as the custom mirror accent flanking the formal dining area. Each of the three ensuite bedrooms delivers a unique gradient of South Beach glamor, with bold custom murals interacting gloriously with immersive mirror accents. This Miami luxury vacation Penthouse is a rare find, presenting an idyllic abode for families or friend groups.

A defining highlight is undoubtedly the outdoors. The expansive terrace space presents the ultimate venue for relaxing and soaking in the views, frosty cocktail in hand. Boasting outstanding entertainment potential Penthouse W One offers multiple lounge areas, an outdoor kitchenette, and a plunge pool. Revel in the comforts of a private rooftop pool perched before outstanding Atlantic vistas.
