APARTMENT DRAKE

SOHO, NEW YORK CITY

Apartment Drake is a stunningly designed, newly renovated home perched in one of the nicest blocks of West Broadway in the Big Apple. The luxurious apartment rental is merely moments away from small shops and restaurants, while the Greenwich Village, Hudson Square, and Tribeca are a short drive away. An aesthete's dream, this vacation residence is the creation of a devoted team of architects, engineers, and interior designers tasked with curating a sublime living space.

Key-locked elevator teems with exclusivity, bringing guests directly into the gorgeous light-filled unit featuring triple exposure from West, East and North, making the free-flowing interiors bright and airy during daytime. The great room fuses a dining, living room, bar, and kitchen area incorporating historic wood beams and contemporary details in perfect unison. A dramatic living room revels in Bondian cool with exquisite burl wood paneling animated by modern ambient lighting and artful industrial-chic lighting, a gas fireplace, a fully stocked wet bar and five cast-iron columns that span the full length of the loft. Offering plenty of counter space, high-end appliances, and a breakfast bar, the kitchen is a veritable showstopper fusing form and functionality. All three bedrooms have been luxuriously appointed and optimized for the most restful sleep. Brimming with top-notch amenities, Apartment Drake is outfitted with a state-of-the-art library.

Apartment Drake lets you experience a true classic SoHo Loft living. Gather for a nightcap, regale with loved ones around the fireplace. Indulge in blissful post-sightseeing rituals, savoring a glass of red under cover of darkness before the glittering lights of New York City. LVH requires owners to comply with regulations for all home rentals within New York City.
