VILLA CALEA

ALEOMANDRA, MYKONOS

Villa Calea is an exceptional contemporary residence belonging to some of Mykonos' most enthralling stretches of coastline. This lavish Aleomandra residence offers far-reaching Aegean views that never cease to inspire. Serene private pathways navigate to the secluded sands of Cavo Glyfadi, while a mere ten-minute drive from Mykonos Town and its famed fine dining, high-end retail, and art galleries.

Interiors present a delightful marriage of contemporary chic refinement and authentic seaswept Cycladic charm. Dazzling retractable glass walls inundate the interiors with the majestic sea horizon emphasizing a delectable sense of lateral space. Rounded edge interiors and finely arched doorways appear sculpted out of fine meerschaum. Light wood accents, exposed beam ceilings, and native stone accents are underscored by cosmopolitan LED lighting, placing gorgeous organic textures front row center. A serene palette of grey, black and warm wood cultivate a serene and earthy ambiance, while choice art pieces blur the line between the avant-garde and the primal. Embraced by wide openings, this home abounds with a glorious sense of permeability, perpetually wafted by the balmy tradewinds. Six exceptional ensuite bedrooms accommodate 12 guests in utmost comfort, discretion, and luxury. Comprised between a primary residence and guest Villa, Calea affords guests the ultimate privacy and independence, maximizing interaction with Mykonos' unmatched natural beauty. This home is replete with a hammam and private gym covering all the bases, from recreation to bodily rejuvenation.

Exceptional exteriors flaunt outstanding covered and uncovered deck space, offering no vantage point unexplored in soaking in the vertiginous sea vistas. Classic Cycladic masonry embraces pergola-shaded areas and a charming outdoor bar and alfresco area fully outfitted for all day and night recreation. A gorgeous sculptural pool juts out dramatically over the horizon, its shimmering water melding into the horizon.
