VILLA SAMANTHA

TOURLOS, MYKONOS

Villa Samantha is a dreamy coastal residence commanding glorious sea views. Featuring a whimsical rounded-edge facade, this abode shines with traditional Cycladic accents plucked from a fairytale. Epic Island vistas incorporate the scintillating lights of Chora within its dramatic scope, with only five minutes separating discerning guests from its cosmopolitan charms.

Exceptionally homey interiors present the pinnacle of Bohemian chic elegance, with pristine whitewashed interiors softened by an organic palette of beige and soft sand notes. Exposed beam ceilings, rounded archways, and sculpted alcoves curate a pleasant, warm, and inviting open space. Designer low-profile furnishings and a stunning selection of decor fuse seaswept romanticism with post-modern elegance. Primal sculptures shaped from natural materials impart an avant-garde edge, with no shortage of textures and finishes adorning the well-zoned free-flowing spaces. A multi-level floor plan navigates through a stunning chef's kitchen outfitted with high-end appliances, ample countertops, and streamlined glossy cabinetry. Warm wood accents and dining furniture toe the line between windswept rusticism and mid-century modern elegance. Equipped with both casual and formal spaces, Samantha is ideally suited for casual eats or lavish entertaining. This luxury rental comprises two distinct living areas, nine stunning bedrooms with deck access, and exceptional ensuites. One of the villa's bedrooms is uniquely positioned in a mezzanine area, offering an elevated and private retreat with its own en-suite bathroom. Varied in size and configuration, the Villa leaves lodging options versatile, well-suited for group getaways or multi-family retreats.

A spectacular veranda conforms to the estate's iconic curvature, with thatched roofing providing the ultimate bohemian ambiance for lackadaisical afternoon lounging. Textured stone walls accompany ultra-chic lounge areas offering no shortage of vantage points for soaking in the sights. A focal free-form swimming pool juts out to reach the dazzling expanse of the Aegean.
