VILLA AMARA

AMPELAS, PAROS

Villa Amara is an exquisite seafront estate in the picturesque village of Ampelas. Its privileged location offers a unique sense of privacy, and the minimal design, characterized by austere, clean lines, effortlessly relaxes. The unobstructed view of the sea epitomizes refined elegance and timeless beauty.

The interior of Villa Amara is a masterpiece of modern design, where a palette dominated by white perfectly complements the serene aesthetics of the Aegean Sea. Oak beams grace the ceilings, enhancing the villa's architectural charm, while bespoke lighting fixtures and handcrafted decorative items add a touch of bespoke luxury. The space is adorned with designer furniture and fine cotton or linen fabrics, creating a harmonious blend of natural light and clean surfaces. This results in an inviting and subtle space, with the occasional splash of the sea's azure adding a refreshing contrast. The kitchen exemplifies contemporary elegance with its white cabinetry and sleek breakfast island, offering not only functionality but also a stylish focal point. Villa Amara features six luxurious bedrooms accommodating up to 12 guests, each exuding comfort and sophistication. Additionally, two extra bedrooms are available for staff, ensuring seamless service without compromising on privacy.

The outdoor area provides an immersive sense of serenity, with materials that perfectly complement the villa's natural environment. The impressive swimming pool extends from the villa to the sea. The oversized open-air lounge overlooks the Aegean, and the outdoor dining area is well-protected from the intense summer winds of the Mediterranean. All outdoor corners are meticulously designed to facilitate open-air gatherings and get-togethers with guests at all hours.

PAROS

AMPELAS

Centrally located in the heart of the Aegean, Paros is a mainstay on Island-hopping itineraries. Its famously rocky coastline sculpts intimate sands and coves, making it the Cyclades' most romantic island. Don't be fooled by the touristy port town of Parikia; this island is chock full of enchanting fishing villages and quiet resort grounds that capture the spirit of laidback Greek living. A host of eccentricities make Paros a truly unique destination, colloquially known as the island of butterflies and kitesurfing. Glorious examples of archetypal Hellenic architecture abound, such as the beautiful blue-domed church of Agios Ioannis Detis, standing among Greece's finest. Hidden in plain sight yet loaded with cachet, Paros offers fertile ground for some of the world's most buzzed-about boutique hotels and opulent palatial Villas. Giving Mykonos a run for its money, Paros is a rising star and one of the Aegean's most exclusive enclaves of luxury living.
