BOMBARDIER GLOBAL 5000

HEAVY, PRIVATE JETS

The Bombardier Global 5000 is luxurious private jet offering an exceptional flight range of up to 5,200 nautical miles and a remarkable top speed of Mach 0.89. Its maximum altitude of 51,000 feet allows smooth and efficient travel above typical commercial routes. With a non-stop flight time of up to 11 hours, the Global 5000 ensures unparalleled comfort and convenience for long-haul journeys.

Step aboard the Global 5000 to experience a three-zone cabin space ideal for conducting business or leisure. A dedicated conference grouping offers a professional environment for important meetings or discussions, equipped with amenities to support productivity in flight. To the side, a stateroom beckons with plush seating arrangements, ideal for relaxation during the journey. Designed with luxury and comfort, the Global 5000 offers ample space to accommodate up to 13 passengers comfortably. The cabin transforms into a resting oasis for longer flights, with sleeping arrangements available for up to seven passengers. The aircraft's advanced engineering ensures a tranquil environment throughout the flight, with cruise sound levels maintained at a serene 52 decibels, allowing for uninterrupted conversations or peaceful relaxation. Lavatories positioned strategically at both ends of the aircraft offer added convenience and privacy.

The rear zone is cleverly separated by a physical partition, providing an exclusive retreat for passengers seeking the utmost privacy. The Bombardier Global 5000 offers an unparalleled experience in air travel, combining state-of-the-art technology with exquisite comfort and style. This jet is the ultimate choice for discerning travelers looking to elevate their journey to new heights of luxury and sophistication.
