MONTE VERDE VILLA

SANTA FE, SANTA FE

Monte Verde Villa is an extraordinary residence wrapped around the crest of a hill, commanding far-reaching views stretching from the city to the ski basin and the striking Jemez mountains. An exceptional property of monumental beauty, this all-season stunner is fully immersed in the natural splendor of the New Mexico countryside. Few guests have proven impervious to the charms of this outstanding Santa Fe luxury vacation rental.

This lavish home offers a bold conceptual theme fusing Southwestern panache with postmodern flair. Wrap-around glass walls, exquisite natural stone accent walls, and vaulted trusses make up commanding sculptural interiors. Impressive common areas dazzle with stature and elegance. Fireplaces flaunt a wealth of rugged atone textures, displaying dazzling crystalline hues of burgundy, rose gold, and pewter. The home's buxom earth materials are countered with all-encompassing glass walls dousing the common areas with unobstructed mountain panoramas. The emotional center and focal communal space is the gallery, a light-filled space where angled Douglas fir beams resemble an abstract forest. Bespoke modern furnishings grace the well-appointed seating arrangements garnished with scintillating cosmopolitan decor. A sprawling living area is navigated by an innovative free-flowing floorplan fusing the beautiful living room with the formal dining room and two fully equipped kitchens. The library features floors fashioned from scrap wood, the design conceived as an anthropomorphic entity with curved rib-like wooden supports. Six sumptuous ensuite bedrooms present the apex of comfort and discretion for twelve discerning guests. Additional amenities include a games room for kids and a great wine tasting room boasting a substantial bottle collection.

Matching savage beauty with aesthetic excellence, this astounding Santa Fe Luxury vacation rental is head and shoulders above the competition. Utterly perfected in the art of the good life, Monte Verde Villa's exteriors present high altitude living at its best. The grounds include a generous pool, spa, and sprawling patio space, perched before panoramas that never cease to inspire.
