Villa Helen is a scintillating contemporary property brimming with quintessential Rivera glamor and elegance. This sleek Saint Jean Cap Ferrat luxury rental is prestigiously poised within proximity of the glitz and excitement of beach clubs, the marina, and resort village amenities.

Well-appointed interiors, deluxe amenities, and white-glove define all three homes of this exemplary luxury property. Pristine white interiors present a masterwork of contemporary chic elegance, inflected with a touch of beachy romanticism. Sleek lines and crisp vertices make up crisp open-concept common areas enveloped by echelons of sliding glass doors. Ultra-plush designer furnishings enhance a dreamy limited palette with soothing tones of light grey and coral. Pared down, refined, and brimming with high fashion sensibilities, scintillating glass console tables in the abundant natural light. Streamlined moldings and ceiling detailing enhance a futuristic aesthetic enhancing lateral space and movement. Great rooms fuse graciously with the ample veranda spaces, presenting an immaculate vision of indoor-outdoor luxury living. Evocative contemporary artworks impart a cosmopolitan gravitas to the Villa's breezy haute couture sensibilities. Optimally configured for guest autonomy and comfort, the complex accommodates twenty-four guests across three abodes of varying sizes. The largest home features six bedrooms, while the two others curate more intimate experiences with four and two suite capacities, respectively.

Wondrous private grounds brim with lush greenery and fragrant foliage, with two focal infinity pools embraced by landscaped gardens.
