VILLA STACIE

SAINT JEAN CAP FERRAT, SAINT JEAN CAP FERRAT

Villa Stacie is a scintillating contemporary retreat steeped in the timeless allure of the French Riviera. Nestled in the verdant embrace of Saint Jean Cap Ferrat, this luxury vacation gem exudes sophistication and exclusivity, discreetly set amidst lush Mediterranean greenery while mere moments from the peninsula's most coveted landmarks. Commanding a privileged perch above the coastline, the villa achieves a rare equilibrium between avant-garde design and the organic elegance of its natural surroundings. This exceptional hideaway fuses privacy with proximity.

Inside, this Saint Jean Cap Ferrat luxury vacation rental dazzles with a sense of cinematic grandeur. Clean geometric lines and sculptural contours shape the expansive, light-flooded interior, where opulence is expressed through every curated element. The living area, a dramatic yet inviting composition, features floating tray ceilings backlit with soft ambient LEDs, their glow catching the prised shimmer of crystal box chandeliers. An atmosphere of curated glamour is heightened by deep-toned modern chaise lounges, a high-polish grand piano, and a pop-art homage to Marilyn Monroe, all set atop seamless marble floors that reflect the Riviera sunlight pouring in through floor-to-ceiling glass panels. The adjoining kitchen continues this statement of refined luxury, outfitted with bespoke cabinetry, cutting-edge appliances, and sumptuous stone surfaces that merge form with function. Five serene ensuite bedrooms, each distinct in tone and texture, offer sanctuary for up to ten guests, delivering comfort with a whisper of extravagance.

Outdoors, Villa Stacie reveals its most captivating facet: an expansive terrace designed for languid afternoons and glittering soirees. Sleek loungers border the dazzling swimming pool, its surface mirroring the azure sky and recalling the chic vibrancy of the Cote d'Azur's finest beach clubs. Enclosed by impeccably manicured grounds and framed by sweeping sea views, the estate's exterior invites repose, celebration, and immersion in one of the Riviera's most prestigious enclaves.

Saint-Jean-Cap-Ferrat is an exclusive community on the French Riviera that has been a vacation hotspot for the well-heeled dating back to the late 1800s. Its nickname, peninsula of billionaires, comes from the many historic properties owned by the ultra-wealthy. A major node of French Riviera glamor and prestige, Saint-Jean-Cap-Ferrat is an exclusive coastal community, known for its yacht-filled harbor and opulent villas.
