VILLA ELLA

ST. TROPEZ, ST-TROPEZ

Villa Ella is a spellbinding pastoral estate perched in the lush peripheries of Saint Tropez. Bringing quintessential Riviera glamor and prestige to wondrous natural environs, this luxury complex claims three hectares of manicured gardens near the famous Chateau de la Messardiere. This wondrous pastoral Villa is perched near the town center and the most famed sands, offering an unmatched portal for discovering the magic of Provence.

The sizeable lot comprises three independent estates ranging from 2700 sq. ft to 3800 sq. ft estate, offering twelve fantastic sleeping quarters in total. Classic Mediterranean facades give way to gorgeous contemporary chic interiors inflected with a distinct French haute couture elegance. Sleek lines and crisp vertices make up thoroughly modern open concept interiors embraced by floor-to-ceiling paneled glass walls. Sumptuous living rooms are drenched in inviting palettes of beige and light timber, with inviting pops of orange across ultra plush upholstery and designer furnishings. Custom streamlined cabinetry enhances Ella's keen eye for harmonious composition and dimension, curating ultra-chic spaces fusing form and function. Sculptural leather armchairs and low-profile sofas emanate mid-century artistry while sliding glass doors maximize interaction with the stunning outdoor garden.

Exquisite resort-like exteriors comprise wooded parks, serene walkways, and florid gardens potent with the characteristic fragrances of the South of France. Each of the private estates is veritable oases of rejuvenation and recreation, graced with a private heated swimming pool, equipped cabana, Jacuzzi, gym, and spa.
