SANTA TERESA

PLAYA HERMOSA

Santa Teresa, in Costa Rica, is a charming little surf village known for incredible beauty with its white sand coves, steep jungle-covered hills and forests teeming with monkeys and exotic birds. It has excellent surf year round, many food options and an unbeatable atmosphere. The highlight of Santa Teresa are the gorgeous beaches. Besides surfing and sunbathing, beaches serve as the main gathering place, especially at sunset. From around five in the afternoon until well after the sun sets at around six, it seems like the whole town comes out. Small and large groups gather on the sand, surfers catch their last waves of the day, and everyone tries to get that perfect sunset selfie. Although this jungle-backed beach town is remote, it certainly is not dull. Hip restaurants, beach parties, consistent surf breaks, jaw-dropping sunsets, tasty eats, and a social vibe that lets visitors reimagine what life is all about, it's no wonder Santa Teresa is one of Costa Rica's hot spots.
