VILLA SUZANE

ST. TROPEZ, ST-TROPEZ

Villa Suzane is an exemplary contemporary property perched on a gorgeous stretch of terrain slightly removed from the mount of Bellevue hamlet. This coveted residence is an excellent pastoral getaway, lauded for exceptional panoramic views stretching from the Bay of Canebiers to Pampelonne. Embraced by over two acres of pristine woodlands, this St. Tropez luxury vacation rental offers the utmost serenity and discretion.

The St-Tropez luxury vacation rental is thoroughly modern while embracing strong Provencal traditions. Geometric lines and large windows flood the house with natural light in harmony with the home's native natural materials. Local stone, wood, and traditional tiling enhance the home's sleek and breezy ambiance. Around a large central 860 sq. ft living area facing the bay is a spacious dining room to the north, separated from the kitchen and center island by a wine cellar and tinted glass doors. Suzane's seven bedrooms are equipped with dressing rooms and ensuites, and the design emphasizes privacy and comfort. There are also two maid's rooms. To the south, a large bedroom flaunting an innovative glass bubble design features a dressing room, office, and bathroom outfitted in lavish marble.

Aesthetically immaculate and thoroughly authentic, Villa Suzane claims a pastoral paradise whose dazzling panoramic views invoke the finest 19th-century landscape paintings. The property is accessible by a footbridge and features a beautiful, sleek swimming pool, pool house, bar, lounge, and summer dining room between two exquisite terraces that light up with the morning sun. A second outdoor dining room offers an intimate patio space that resembles a Zen garden.
