VILLA DOMA

PROVIDENCIALES, TURKS AND CAICOS

Villa Doma is a gorgeous, contemporary beachfront home perched along the coastlines of Turtle Cove, Providenciales. Affording guests total discretion and otherworldly serenity, this luxury vacation rental flaunts 120 feet of private white sands, satiating the ultimate tropical island fantasy. This residence is five minutes from the center of Grace Bay and ten minutes from the airport, allowing guests to jumpstart their vacations upon landing.

Spectacular interiors resound with artistry and haute couture sophistication. The estate comprises an 8,000 sqft main villa and a 2,000 sqft guest house. A dazzling fusion of industrial-chic elegance and Southeast Asian exoticism informs the free-flowing common areas. Linear dimensions and crisp vertices sculpt modular interiors well conceived for nocturnal entertaining or breezy get-togethers. Shimmering precious stone floors, corner windows, and glass walls curate an exceptional sense of permeability and oneness with the tropical exteriors. Thirty-foot ceilings resound with an art gallery grandeur, while a ceiling-height fireplace and concrete plastered walls invite an urban edge to this Turks' vacation home's chic ambiance. The great room's rear is a modern, fully equipped kitchen, supplanted by a large granite and wood island, offering a lovely culinary workspace. This luxury complex comprises seven sumptuous bedrooms in the primary home and two additional bedrooms in the guest house, offering eighteen residents maximum autonomy and discretion. There is an additional space in the games room with a pull-out bed.

The sizeable beachfront pool deck is fashioned from Tigerwood and surrounds a black slate infinity-edged pool with jets in a shallow end for a hot tub like rejuvenation. Adventure abounds with beach volleyball and basketball areas while kayaks and floatables beckon activity on the ethereal waters of Turtle Cove. A shallow wading area for children and outdoor entertainment possibilities include a barbecue area, perfecting the art of alfresco tropical living.

PROVIDENCIALES

Turks and Caicos are a British Overseas Territory made up of eight major islands and dozens of smaller cays in the tropical Atlantic, southeast of the Bahamas. Known for its turquoise waters and powder-soft sand, the archipelago is home to some of the best beaches in the world. On Providenciales—locally known as Provo—you'll find Grace Bay Beach, upscale restaurants, and luxury boutiques. At the same time, Grand Turk offers world-class wall diving and glimpses into the island's colonial past.
