VILLA SILVER SANDS

PROVIDENCIALES, TURKS AND CAICOS

Villa Silver Sands is a wonderful beachfront retreat perched along some of Turks and Caicos' most beautiful stretches of coastline. This serene palm embraced residence is ideally suited for immersion into the Island pace of life, a short promenade away from authentic dining and local social venues. Claiming an exceptionally tranquil stretch of Thompson Cove, this property benefits from a private artificial reef ideally suited for snorkeling and taking in the fascinating tropical wildlife.

Interiors present a delectable marriage of contemporary refinement and breezy Island romanticism. An exemplary great room dazzles with high-pitched roofs and dramatic white beam scaffolding, supporting an exceptional sense of verticality and airiness throughout the living space. Floor-to-ceiling shuttered glass walls emphasize lateral dimension while inundating the interiors with the unobstructed turquoise horizon. Bespoke modern furnishings and the finest quality wood finishes merge with seaswept decor from the decorative fishing nets to the bohemian driftwood accent suspended before an ultra-chic bar counter with wine fridge. Well suited for entertaining, the free-flowing great room reconciles modern edge and sleek vertices with earthy palettes and textures, accounting for a warm yet sophisticated ambiance. Six sumptuous bedrooms offer guests the epitome of comfort, luxury, and discretion. Chic design, lavish spa-inspired ensuites, and private deck and balcony access define these gorgeous private suites.

Exceptional resort-like exteriors beckon maximum interaction with the home's sublime tropical oasis. Astounding views abound from the third-floor viewing deck, while the well-kept gardens abound with aromatic local flora. Guests may indulge in 200 feet of private beachfront, while a stainless steel pool with zen waterfalls provides further refreshment from the afternoon heat.

PROVIDENCIALES

Turks and Caicos are a British Overseas Territory made up of eight major islands and dozens of smaller cays in the tropical Atlantic, southeast of the Bahamas. Known for its turquoise waters and powder-soft sand, the archipelago is home to some of the best beaches in the world. On Providenciales—locally known as Provo—you'll find Grace Bay Beach, upscale restaurants, and luxury boutiques. At the same time, Grand Turk offers world-class wall diving and glimpses into the island's colonial past.
