VILLA MYTHIQUE

MARIGOT, ST. BARTH

Villa Mythique is an awe-inspiring retreat perched on the hillside above the serene natural environs of Marigot Bay. This ultra-modern oasis is a mere fifteen minutes from the amenities of charming Gustavia. Serene and secluded yet at arm's reach of St. Bart's famed fine dining, high-end retail, and water recreation options, Mythique embodies tropical luxury living.

Breezy Island charm merges with cosmopolitan sophistication in Villa Mythique's aesthetically immaculate interiors. Exquisite vaulted ceilings and exposed beam accents define the airy home, accentuating an extraordinary sense of vertical space. Seductive low-profile furnishings smatter the lounge area embraced by gorgeous custom marquetry showcasing a diversity of exotic timbers. Plentiful louvered accents and sleek sliding glass windows define a thoroughly modern estate with contemporary precision and haute couture elegance. Four master bedrooms open onto the pool deck, offering guests the utmost seclusion while maximizing outdoor interaction. Outfitted for maximum convenience, the private suites include desks, entertainment systems, and sumptuous bathrooms with romantic garden showers. Two ancillary bedrooms, one suitable for staff, are on the lower level, equipped with top-notch amenities, including an in-home gym, sauna, movie theater, and billiard room.

An outdoor lounging area provides the ultimate outdoor entertainment venue featuring alluring seating arrangements on par with the riviera's most glamorous beach clubs. Guests may revel in lackadaisical afternoons basking in the sun, sipping on frosty cocktails poolside. Cap off the day with sumptuous French cuisine at the alfresco dining area enveloped by the balmy sea breeze.

ST. BARTH

MARIGOT

St. Barths, also known as Saint Barthélemy, is hands-down one of the most gorgeous islands in the Caribbean. It is lauded as “the” destination for global elites, otherwise known as the billionaire’s playground. An idyllic destination to unplug and recharge, the Island brims with gourmet restaurants and luxury boutiques. This French island, consistently topping destination wish lists, is actually a volcanic rock just eight miles square and is home to 9,000 residents. The lovely atoll has retained its character and charm with Creole-style cottages and mountainous landscapes that hug bright white sand beaches. St. Barths satiates the ultimate tropical paradise fantasy, offering no shortage of reasons for visitation, from NYE celebrations, family reunions, honeymoons, conferences and more. Guests may heighten their dream vacations by staying at one of St. Barthelemy’s luxury villa rentals. These exquisitely-appointed properties are the height of elegance.
