YACHT BLISS 144

MOTOR 100-150FT, YACHTS

Yacht Bliss 144 is an exquisite vessel built in 2007 and freshly refitted in 2019. Built by Heesen Yachts, Bliss is the definition of a high-quality Dutch yacht that combines smooth performance and striking sporty lines. With impressive performance credentials, she can reach speeds of up to 24 knots, while her modern stabilization system and bow thrusters ensure high levels of comfort when on board.

Interiors express a striking vision of contemporary chic glam and pop culture panache delivered by acclaimed Icelandic designer Ingibjord St. Palmadottir. Sleek metallic dimensions and scintillating silver accents sculpt vast common spaces onboard, graced with endless echelons of windows. Elite precious stone countertops and luxuriant black marble inlays fuse unfettered opulence with a slick pared-down sophistication. A lovely selection of oversized Warhol prints deliver oodles of tongue-in-cheek character in gorgeous salons sure to win over guests over lavish cocktail soirees and pre-dinner aperitifs. The free-flowing main salon and upper bar area flaunt all the comforts of terra firma out on the high seas. Five lavish ensuite cabins comprise a master suite, three doubles, and a bunk room, providing additional accommodation for kids. The upper lounge on the sky deck can also be converted into an additional cabin offering extra flexibility for larger charter groups.

A haven for rejuvenation and recreation, Yacht Bliss 144's extensive amenities redefine fine living on the open seas. The foredeck has an expansive living area perfect for casual alfresco meals and drinks, and further forward, a broad sunbed dips into the Jacuzzi on the bow. A large selection of water toys is updated regularly, offering the cutting edge of open sea adventure.
