YACHT LAUREN L 295

MOTOR OVER 250FT, YACHTS

Yacht Lauren L 295 (ex.CONSTELLATION) was built by Cassens-Werft in 2002 and her naval architecture is the work of Alpha Marine. Cassens-Werft also completed her exterior styling and while her interior is the work of Alpha Marine. She was last refitted in 2008. At dockside events she can accommodate up to 300 guests across four decks, and her accommodation provides for up to 36 guests in 20 beautifully-appointed cabins.

The lower deck can be used as a sunbathing area as well as a place to board and disembark from the tenders. Staircases lead up to the shaded main deck aft, where there is a broad stern seating area for guests to spend time outdoors with the views while waiting for transport. Guests looking for a sheltered outdoor living area will find the upper deck provides two grand alfresco dining tables on the port side and centre, while the starboard side offers a comfortable lounge overlooking the glass balustrades.The bridge deck aft stores the tenders and larger motorized water toys, which are easily launched and retrieved with the use of a Davit crane. The foredeck is left clear for access to the helipad on the bow, and when not in use the area can be used for observation and hosting events.

On the sundeck, the aft section contains plenty of plush sundeck seating for a large alfresco meal, and there is also a massive Jacuzzi where guests can soak together while enjoying a cocktail from the nearby wet bar. The sundeck forward is fitted with numerous sun loungers for guests to unwind together and take in the forward views.
