CHALET GRACE

ZERMATT, ZERMATT

Chalet Grace is a spectacular designer chalet overlooking Zermatt village and the Matterhorn. Prestigiously perched on a south-facing hilltop, this estate is fully immersed in the spellbinding natural majesty of the Swiss Alps. A two-minute electric taxi ride from the Sunnegga Express lift and three minutes from the enchanting resort center, this home is as luxurious as it is conveniently located.

Dreamy old-world elegance meets Alpine romanticism in grandiose timber interiors doused in serene cream and beige tones. Soaring vaulted exposed beam ceilings impart a delectable sense of vertical space while oversized windows deliver a wondrous mountain backdrop for a classically beautiful living space. Deep-seated bespoke sofas, hefty leather armchairs, and a generous smattering of plush flannel and burgundy-toned throws curate a space of utmost comfort and warmth. A large French stone open fireplace rounds off the ultimate snowed-in ambiance, while an adjacent bar area toes the line between country home charm and speakeasy cool. The multi-level great room abounds with dynamism, enhancing a sense of space well suited for intimate get-togethers or lavish entertaining. A bohemian raised dining area seating fourteen guests, indulges in provincial nostalgia, curating an exceptional ambiance for gastronomic exploration. An artful clerestory accent is immaculately placed, framing the majestic Matterhorn peak. Chalet Grace includes a luxuriously-seated cinema, a games room with a pool table, and a spacious glass-fronted wellness center. A haven of recreation and rejuvenation, guests may access an in-home sauna, shower room, massage room, and sizeable yoga studio. Five sumptuous ensuites define this marvelous Zermatt luxury vacation Chalet, accommodating twelve guests in total comfort and discretion.

Numerous south-facing balconies are poised to deliver unforgettable sunrise and sunset scenes. An outdoor Jacuzzi is splayed before spellbinding Matterhorn views, offering the utmost apres-ski relaxation, embraced by the crisp mountain air, savoring a celebratory glass of champagne.

ZERMATT

Zermatt, an idyllic mountain village in the Swiss Alps, established itself as one of the most renowned world-class resorts. Dominated by the Matterhorn, a looming peak that has achieved almost mythical status as the ultimate Swiss landmark makes the village of Zermatt all the more enchanting. As a winter resort, it boasts an enviable snow record, superb skiing (lasting through early summer), stunning luxury ski chalets, and nightlife to match. Come summer, the four-thousand-meter summits attract many alpinists. There are hiking, cycling, climbing, and high-Alpine tours with views of Europe's highest two mountains – Mont Blanc and Monta Rosa. This combination of breathtaking scenery, top-class hospitality, and one of the highest ski areas in the Alps make Zermatt a dream destination all year round. A robust cultural itinerary keeps guests occupied, with ample museums and tours awaiting apres-ski downtime.
