CENTER, VERBIER

Chalet Bella Rocca is an outstanding Alpine residence and welcome addition to Verbier's unmatched portfolio of luxury vacation properties. Breathtaking panoramas emanate from the home's authoritative perch before the sparkling lights of the resort village below.

Wondrous interiors present an immaculate fusion of Alpine authenticity and haute couture glam across five floors of elite living space spanning nearly 5500 sq. ft. Tradition marries innovation with an impressive glass wall stretching from the entry-level to the dazzling top floor and main living area. A soaring vaulted ceiling construction is encased in dazzling reclaimed timbers, offering a glorious complement to ultra-modern cladding and sleek, streamlined sensibilities. Cozy and brimming with sophistication, architectural skylights and oversized windows invigorate the space with breezy nonchalance. The radiant winter sun streams liberally into the home, animating light and airy monochrome upholstery. An ultra-plush modular sectional wraps around a modern metal-clad fireplace, adding a delectable industrial flourish to the living room. Chalet Bella Rocca's innovative layout satiates an intimate space division while retaining a free-flowing philosophy conducive to social gatherings. Five sumptuously appointed ensuite double bedrooms accommodate ten guests in total comfort, discretion, and style. Outfitted to the highest specifications, residents may look forward to a central sound and entertainment automation.
